

Dear Sea Horse Boat Rentals,

This message is very late in coming as we were in Abaco over one year ago. I just discovered your website; we are planning a return trip this year. Anyway, we rented a boat for a week and the service provided by Elvis was excellent. Everything was explained in detail and all questions were answered thoroughly. We plan on utilizing Sea Horse again and the main reason for our return to your Company can be summed up in one word.....'Elvis'.

Thank you Elvis for making our trip a memorable one.
