

The 23' Albury Brothers is a bigger version of their popular 20' hull with even more room and creature comforts for your group. A built in freshwater system will provide a refreshing shower after your dive. A fixed mount VHF radio provides convenience and safety. This boat cuts thru the chop with ease and comfort, yet is easy to handle around the docks and beaches. You will need to book this one early, very much in demand. Two available. Overall length 23' Engine Size 150 HP Evinrude E Tec. Gas capacity 100 gallons – max # of adults 6 or a combined total of persons and gear not to exceed 1400 pounds.
